A Choice Offering
— of —
Shorthorns and Polled Shorthorns

SHOW AND SALE
THURSDAY, FEBRUARY 26, 1953
BRADLEY SALE BARN
RED OAK, IOWA

A PERSONAL INVITATION FROM THE CONSIGNORS

Again it is the privilege and pleasure of the Southwest Iowa Shorthorn and Polled Shorthorn Association to extend a cordial invitation to attend our show and sale at the Bradley Sale Barn, Red Oak, Iowa, February 26, 1953.

In making our solicitations for consignments we have asked for only cattle of good quality and good, strong ages. We would like to call your attention to the number of good strong age bulls we are offering. They are ready to go, ready to start making you money the day you get them home. In the group you will find bulls suitable for every purpose.

In females we would like to call your attention to the families they come from, the bulls they are sired by, and to the bulls whose service they carry. We are fortunate in our district to have some of the herds from which come some of the breed's best cattle.

Again we say, "Come see us at Red Oak, February 26th. We will be happy to have you and will try to make the day a profitable one for you."

GENERAL INFORMATION

TIME—Thursday, February 26, 1953. Show will start at 9:30 a. m. Sale will start at 12:30 noon.

LOCATION—The show and sale will be held at the Bradley Sale Barn, Red Oak, Iowa, through the courtesy of L. V. Bradley. The facilities of the Bradley Sale Barn are excellent. They have plenty of parking space for trucks and cars, nice roomy stalls for cattle. The sale pavilion is well ventilated and well lighted, most convenient for buyers and owners—everyone interested in better cattle.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately on the conclusion of the auction. All stock will be at buyers risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchaser.

GUARANTEE—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to serve until 16 months old or run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought, and if, after a test in the seller's herd he still fails to breed, he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at time of sale are guaranteed to be breeders. Animals returned to seller because they do not comply with the guarantee will be at buyer's cost of transportation.

Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between the consignor and the buyer of each lot. Neither the sale manager nor the clerk of this sale assumes any liability, legal or otherwise.

PEDIGREE CERTIFICATES—A certificate of registry and a transfer will be furnished for each lot sold and an application for registry will be furnished for each lot sold at foot and for each unborn calf sold in dam.

When footnotes appear in this catalogue they were furnished by the consignor or written from information supplied by the consignor.

MAIL BIDS—Those wishing to buy at this sale who cannot attend in person may send their bids to the Sale Manager or to Jack Halsey, auctioneer, Mervin Aegerter of the Shorthorn World, Clem Larson, Fieldman for the American Shorthorn Breeders' Association, Arden Aegerter, Fieldman for the Journal Stockman or M. T. White, Field Representative for Wallaces' Farmer, all of these men in care of the Secretary who will see that they are delivered to the parties who are entrusted with your order. Any of these men are qualified to know good cattle. Your order sent to them will be carefully and honestly taken care of.

We will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of our guests.

LADY MINA 2614-595 is a good, thick, low-down heifer bred November 20th to Femco Control, our new bull purchased from Femco Farms. This should be an outstanding calf. Pretested and vaccinated.

Early maturity means less feed and less labor in beef production.

BONNIE BUTTERFLY 30th 2668-880 sells bred to our great junior herd sire, Ringwell Illustrious as of August 12th. Here is a great heifer, bred to a top bull. If possible to guarantee a show calf we would do it here. We have one calf by this bull and he is better than any we have ever had.

A lifetime is not enough to reach the peak in Shorthorn breeding.
